<b>SUBJECT</b>  Hungarian Intelligence Organization in Millstatt, Austria			<b>DATE</b>  27 Jan. 54
<b>PERTINENT INFORMATION</b>  <p style="margin-left: 40px;">The following information was sent down from EE/FI/Z and is being included in this dossier as it was sent down.</p>  <p><b>MAV-A-757 1 Dec 47</b>            CIC established contact with two members of the KOPJAS group, <u>Gyorgy KOLLENYI</u> and <u>Miklos KORPONAY</u>, who claimed to have tapped authentic Hungarian resistance sources and intelligence outlets inside Hungary. Received about \$25 monthly from CIC for the past two months. Recent indications are that KORPONAY's group are in reality receiving virtually all of their info from Baron Victor KRUCHINA, former Hungarian police official and currently a top-level British intelligence operative in the CHIO in Millstatt, Carinthia. Info from the KORPONAY channel has been sporadic and it appears that KRUCHINA's assertion that he is supplying most of the info to KORPONAY is substantiated. KRUCHINA recently has stated that he would no longer work with such "fascists" (Arrow Cross personalities) as KORPONAY and KOLLENYI locally. As a result the flow of info from KORPONAY to CIC noticeably lessened. The British-sponsored Hungarian intelligence group at Millstatt, Carinthia, incl KRUCHINA, has broken with the KOPJAS group, on the ground that it contains elements of incorrigible former Arrow Cross elements and "fascists." KORPONAY offered to place at the disposal of CIC one Gyorgy KOLLENYI, formerly a lt. col. in the Hungarian Army, who would contact CIC Hallein Sub-section with a plan for future work. KORPONAY serves as the representative in the US Zone of Austria of CHIO.</p> <p><b>VSM/SLZ/709 28 June 48</b>            KORPONAY, an old and close friend of <u>Andras ZAKO</u>, debriefs refugees fleeing Hungary and tries to peddle the info thus obtained to French, British and American intelligence agencies. One of his contact men in the Salzburg area is Gyorgy KOLLENYI.</p>  <p style="text-align: center;">INFO TO BE THE INFORMATION PERTINENT            TO THE SUBJECT MATTER OF THE DOCUMENTS IN THIS DOSSIER</p> <p><b>NOTE.</b> This document is the SUBJECT MATTER OF THE DOCUMENTS in this dossier titled "MHBK".</p>
